27 September 1957

MEMORANDUM FOR THE RECORD

SUBJECT: SOOBZOKOV, Techarin

1. Subject began training on 17 February 1957 as a candidate-trainee under the SR Division AERREADY program for a six-month course in Hot War activities. For five months Subject was rated as "satisfactory" in his comprehension and attitude toward the course. In the final month of training each candidate was assigned a specific hot war mission. To insure a proper assignment of target, each candidate was debriefed again for legending purposes. A comparison of Subject's original debriefing and final debriefing evidenced marked inconsistencies in his background. When these points were noted to Subject he stated that he had supplied the Agency erroneous biographical information since his initial contact in Jordan. In remorse he said that he had been treated as a "human being" over there, meaning Jordan, while he returned the kindness by acting like a "pig."

2. In view of the new information Subject was notified that he must be suspended from further consideration under the AERREADY program until such time as the uncertainties of his background were clarified. He was repolygraphed on 24 August 1957. Since the polygraph testing was not completed, another session was necessary. As of this memorandum, results from the Interrogation Research Division have not been received by SR/DOB. Therefore, it must be assumed that the clearance action initiated and received by SR/DOB has been voided and must be resubmitted with the new biographical information.

3. NE/2 should be apprised of the following facts:

a. It is assumed by SR/DOB that no clearance exists for Subject until the details of the new polygraph interview have been evaluated.

b. If the original OA received on Subject is valid, it was obtained for the specific purpose of training Subject and was not a blanket authority for general Agency use.

c. New clearance action should be submitted by NE/2 outlining specific details of Subject's proposed assignment.

d. A declaration of income tax deduction against the salary paid Subject will be obtained through SR/DOB Finance and forwarded to NE/2.

Chief, SR/DOB
